## Women's imprisonment – the national picture

There are more than twice as many women in prison in England and Wales today as there were in 1993.

- The women's prison population on Monday 29 September 2025 was 3,504.<sup>3</sup>
- Women were sent to prison on 6,190 occasions in 2024 – either on remand or to serve a sentence.<sup>4</sup>
- 75% of immediate prison sentences given to women in 2024 were for less than 12 months.<sup>5</sup>
- In 2024 there were 2,920 recalls of women to custody. Women serving sentences of less than 12 months accounted for almost two-thirds (63%) of all recalls.<sup>6</sup>
